

ROUND THE RIVIERA

Riviera Kindergarten Spring Round-Up Slated on May 16, 17

By MARY WEBB
FR 53051

Kindergarten Spring Round-up for Riviera School is scheduled for Monday and Tuesday, May 1 and 17 at the school. Robert Dexter, principal, reported this week.

The roundup will include enrollment of kindergarten pupils for next September and a physical examination by the school doctor, he said.

Parents who have pupils to enroll at Riviera School are urged to come to the school office before May 13 to obtain the necessary enrollment blanks and make an appointment for the physical examination.

Principal Dexter pointed out that the children must be five years of age on or before December 2, 1955. The school rulings require a birth certificate or hospital certificate verifying the birth date of the prospective pupil.

Born to Mr. and Mrs. C. B. Petersen Jr., of 133 Calle de Andalucia, on April 14 at Los Cerritos Maternity Hospital in Long Beach, was a 1 lb., 8 oz. boy named Curt Maxton Petersen. He is the first child for the Petersens, and was born to them at 10:53 a.m. of the 14th.

Maternal grandparents are Mr. and Mrs. F. J. Breunig of Lawndale, while paternal grandparents are Capt. C. B. Petersen and Mrs. Hazel Petersen of Palos Verdes Estates.

Off to Pullman, Wash., yesterday traveled L. M. Nash, 230 Camino de las Colinas, to address the Light Metals conference to convene at Washington State College.

Nash will talk on "Magnesium Castings." He is a metallurgist and production manager of Magnesium Alloy Products Co., in Compton. Nash will return home Saturday.

Under way this week at Riviera School is construction work on the new \$51,000 lunch patio for the school.

The lunch patio is a modified type of school cafeteria, in the Torrance school building program, he added.

Riviera school's patio will seat 225 students for lunches, or will accommodate up to 300 persons for meetings. The interior of the patio will boast a complete kitchen for food preparation plus tables and chairs, while the exterior will be made of frame and stucco. This addition is planned to be ready for use when school starts next September. In addition, \$9,000 will be spent in improving the grading and playground at the school.

Mr. and Mrs. John Fincher, of 101 Via Los Altos, helped their young son, Mike, celebrate his third birthday on Monday, April 18, with a party luncheon at his home.

Several little neighbors and friends of Mike's and their parents were present to enjoy the lunch of spaghetti, rolls and salad, topped with cake and ice cream. After the repeat, the young ones were taken to Walteria's Kiddyland.

Guests included Danny and Johnny Hearn, Dennis Reator, David Lee, Dristen Anderson. Mothers of the guests were also present, including Mmes. John Hearn and Ralph Reator. Mike's two aunts, Mmes. Orwin Bakke, of El Segundo, and Otto Lee, of Hawthorne, were present as was his grandmother, Mrs. Joseph Helme, of Inglewood.

Highlight of the birthday party table was his birthday cake, decorated to look like a corral for horses. Although Mike is only three, he has been learning to ride his family's horse, "Pistol," and so in keeping with this latest passion of his, the corral-like cake was topped off with a small toy horse.

Army Pvt. Herbert A. Artelt, son of Mr. and Mrs. G. E. Artelt, 460 Via Los Miradores, recently arrived at his new duty station in Germany and is now a member of the Seventh Army Headquarters there.

Young Artelt, a draftsman in the Headquarters Engineer section, was on duty at Fort Belvoir, Va., before his transfer to duty in Germany.

He entered the Army in August, 1954, and completed basic training at Fort Ord, Calif. He is a 1953 graduate of Torrance High School.

The Torrance High School department of music will present a Spring Concert tomorrow evening at the high school. Admission is 35 cents and the public is welcomed. Start of the concert is promptly at 8 p.m. and tickets may be obtained at the door. Many tenesters from this area will be represented in the production of the concert.

a dinner of fried chicken complete with the trimmings and topped with birthday cake.

The Wyatts report a myriad of games were played by the guests and the celebrant with lots of prizes awarded during the evening.

Guests present included Tom Addins, Raoul Matute, Tom Burman and Joe Simpkins.

Congratulations are being received by Mr. and Mrs. Don Montooth, 421 Calle de Castellano on the birth of their fourth child and daughter, born to them on April 25 at Torrance Memorial Hospital. The arrival weighed 7 lbs., 3 oz., at birth and has been named Lisa Ann. She joins Patricia, 7, Susan 4, and Laurie, 2, at the Montooth home.

Paternal grandparents are Mr. and Mrs. William G. Nagel of Torrance. Paternal grandparents are Mr. and Mrs. George Montooth, of Watertown, S. D.

If you happen to stumble into El Retiro Park Clubhouse tomorrow evening, don't think you're in the middle of a television studio shooting an Indian picture. It'll only be the monthly pack meeting of Riviera Cub pack 666C. The Wokate Indians, actually Explorer scouts of Post 2857, will don paint and feathers.

The boys have worked many hours building elaborate costumes and learning intricate dance steps.

At last month's pack meeting, one year pins were awarded Tom Addins, David Hawkins, Billy Jordan and Mike Sinclair, pack officials reported. Two years pins were given to Bill Reid and Tim Locke. Larry Stout earned a wolf badge and assistant denner stripes, while Ronald Kopp won his denner stripes.

Silver arrow awards were given to Stanley George and Nicky Heflinger, while gold and silver arrow awards were won by Jim Hall. Den chiefs presented with emblems of service included Alan Lamson, Frank Beaver and Larry Kopp. Den mothers receiving smiles were Margie Glosser, Catherine Molek and Shirley Minech.

Den 4 was given the parent participation pennant and den 5 was awarded the inspection pennant.

From cub scout pack 718-C comes the news that they held their meeting on Monday evening at the clubhouse in El Retiro Park. Highlight of the evening was a movie on natural resources, shown by Buck Ludwig, 345 Calle de Andalucia.

From Den 2, Jim Ludwig won a gold arrow, while Gregg Geisler presented a silver arrow. Clifford Smith also won a silver arrow. In Den 3, Bob Garney won a silver arrow and his one year pin, while Den 5's Don Stanger received his denner stripes, and Jerry Britton was presented with assistant denner stripes.

Training for interested mothers in a course of Brownie day camps will be held on May 9 at El Retiro Park from 9 a.m. until 11:30 a.m. Instructor will be Mrs. M. M. Richardson.

The Brownie program in the South Bay area has grown so fast that it is necessary for local Brownie troops to hold their own day camps in Torrance, instead of at Redondo Beach Park as in the past, it was reported.

This year, day camp for local Brownies will be in Torrance and September. Dates for the camp are scheduled for Aug. 23, 24 and 25, and Aug. 30, 31 and Sept. 1. The place will be Torrance City Park and the time from 9:30 a.m. until 2:30 p.m. each of the days.

Mothers who wish to learn more about the day camp program and so help out in the 1955 program are urged to phone Mrs. Al Koester, FR 5-3980 or Mrs. Thos. J. Von Blankenburg, at FR 5-3278 for further information concerning the training course.

Well, here it comes! The opener of the Pacific Coast Little League's baseball schedule will be on Saturday, May 14, at the Little League Ball park, behind the Walteria post office. All our boys have been bid for and integrate into League teams. The dads have spent long hours building the park, grandstands and other necessary buildings. The moms have been making their plans to run the park's concessions. All is about in readiness.

Now on May 14, the teams come trotting out to start the season. Do plan to be there; it's a thrilling spectacle!

Manager of the major league Padres is Norm Hawkins, with Padre coach being Bill Schwartz. Minor Padre team is managed by Larry Kikkbridge.

Some 120 boys belong to the Pacific Coast Little League teams, with dozens coming from this area.
